Ministry of Environment and Water - Bulgaria

SEA and EIA Directorate
Focal Point for the Espoo Convention - Gyuler Alieva
Email: mgalabova@moew.government.bg

«Transmission of an information document (notification to an affected party) and information regarding activity, within the framework of Article 7 of Directive 2011/92/EU and the Espoo Convention on the assessment of transboundary environmental impacts, to the Republic of Bulgaria».

Pursuant to Article 7 of Directive 2011/92/EU, as well as the Espoo Convention, is transmitted to the Ministry of Environment & Water of the Republic of Bulgaria, information document, for the proposed activity: "Wind farm with an installed capacity of 34,50MW, in the location "LEFKI", and accompanying supporting works", in the Municipalities of Soufli, Evros Regional Unit, Eastern Macedonia and Thrace Region of Greece, together with environmental information (in English) regarding its description and potential transboundary impacts.

The consultation deadline is set at thirty (30) days. The competent authorities of the Republic of Bulgaria are requested, in accordance with paragraph 1 of article 7 of the Directive, to state whether they intend to participate in the decision-making process.

**Head of Directorate for Environmental and
Spatial Planning of East Macedonia and
Thrace**

Mr. Anastasios Papagiannakis
